1. Seller shall provide and maintain an inspection system for supplies and services covered by this purchase order in accordance with Mil-I-45208A or equivalent. Any equivalent system shall be approved by PPI prior to acceptance of any hardware subject to said system.
2. All references to “Government” shall be interpreted by the Seller to include “Buyer”. The Government’s specific rights and interests per paragraphs 3.6 through 3.6.1 and 3.11 through 3.11.3 of MIL-I-45208A shall be preserved. Waiver of any referenced rights and interests shall be in writing from the PPI Buyer.
3. Seller shall certify that all parts and materials obtained to satisfy the requirements of this purchase order have been procured from original equipment manufacturers (OEM), authorized franchise distributors or subcontractors to whom the appropriate requirements of this Attachment have been made applicable.
4. Upon completion of all deliveries against this purchase order, data required by this purchase order shall be maintained for a period as specified in the General Provisions. All data required hereby shall be made available for review by, or copies supplied to, PPI upon request.
